**GENTO**

ANTIBACTERIAL DISHWASHING LIQUID

**VARIANT**

Lemon or Apple

**PRODUCT DESCRIPTION**

GENTO Antibacterial Dishwashing Liquid is a high quality dishwashing liquid made from the finest materials. It is highly effective in removing dirt and grease, gentle on hands and leaves a refreshing lemon scent in the air. Its superior grease stripping formula eliminates dirt and tough grease from your plates, pots and pans. It contains an active material that kills common germs and bacteria on contact and provides protection against them.

**PHYSICAL PROPERTIES**

Appearance: Clear, viscous liquid free from any suspended matter and impurities  
 Color: Yellow or Green  
 Odor: Lemon or Apple  
 pH: 7 - 8  
 Sp Gr @28°C: 1.02 – 1.03  
 Viscosity @28°C: 1,300 – 1,500 cP  
 Flash Point: None  
 Stability: Stable for 3 years from production date

**INGREDIENTS**

Water, Anionic Surfactant, Non-ionic Surfactant, Amphoteric Surfactant, Quaternary Ammonium Compound, Fragrance, Preservative and Color

**APPLICATIONS**

- For normal cleaning and washing of plates, silverware, pots, pans and glasses; in a wet sponge or brush, add a few drops of GENTO Dishwashing Liquid, squeeze the sponge to produce suds and do the regular procedure.
- For heavily soiled dishes, pre-soaking in warm water with GENTO Dishwashing Liquid is recommended. Afterwards, do the regular cleaning procedure.

**STORAGE**

Store in its original container in cool and dry place away from direct sunlight

**PACKING**

12 x 1 L

**PRECAUTIONS**

Keep away from the reach of children
